This Agreement is by and between Edward A. Powell, Jr. and Diane Linen Powell, the Town of Telluride, a Colorado Municipal Corporation, and Idarado Mining Company, a Delaware Corporation authorized to do business in the State of Colorado.

**RECITALS**

A. Purpose of this Easement Agreement: This Agreement concerns the adjustment of an access easement and the vacation of an access easement, for the purpose of adjusting the access to Lot 1 and the Town of Telluride Water Tank Parcel, as described below.

B. Lot 1: Edward A. Powell, Jr. and Diane Linen Powell (hereafter the "Owner(s) of Lot 1") own certain real property located in San Miguel County, Colorado, described as follows:

Lot 1, The Falls at Telluride, according to the plat recorded in Plat Book 1 at page 1403, together with ingress-egress and earthwork easements, dedicated open space, the Easterly Idarado Easement and other easements and rights of way shown on the plat for the purposes as shown, as dedicated to the owners of Lots 1, 2, 3 and 4 on the recorded plat, and together with the right of ingress and egress and the placement of utilities, utility extensions, lines and facilities within the Westerly Idarado Easement and addition thereto shown on the recorded plat and amendment thereto, as reserved therein for the benefit of the owners of Lots 1, 2, 3 and 4, all amended by Insubstantial Subdivision Amendment to the Falls at Telluride recorded November 23, 1994 in plat book 1 at page 1771. (Hereafter, "Lot 1.")

**AGREEMENT**

In consideration of the mutual covenants and conditions outlined below, the parties hereby agree as follows:

1. Revised Access to Lot 1 and the Water Tank Parcel: Idarado Mining Company hereby enters into a non-exclusive easement agreement with the Owner(s) of Lot 1 and the Town of Telluride with regard to the property on which an easement is shown on Exhibit "A", attached, consisting of two pages, page one being a metes and bounds description, and page two being a map, delineating the easement as amended by the area designated as "New Easement" (hereafter the "Idarado Easement"), as follows:

A. Idarado Mining Company hereby enters into a non-exclusive easement agreement with the Owner(s) of Lot 1 with regard to the Idarado Easement. The easement, which runs in perpetuity and inures to the benefit of the Owner(s) of Lot 1, and their heirs, successors and assigns, grants the Owner(s) of Lot 1 unimpeded non-exclusive use of the

delineated roadway for access, ingress and egress for private vehicular and pedestrian traffic to be used exclusively by the Owner(s) of Lot 1 and their guests and invitees, for access only to Lot 1, together with and subject to the right and obligation by the Owner(s) of Lot 1, at the Owner(s) of Lot 1's sole cost and expense, to construct, reconstruct, improve, and maintain the easement area in good and proper condition for its intended purpose.

- B. Idarado Mining Company hereby enters into a non-exclusive easement agreement with the Town of Telluride with regard to the Idarado Easement. The easement, which runs in perpetuity and inures to the benefit of the Town of Telluride, and its successors and assigns, grants the Town of Telluride unimpeded non-exclusive use of the delineated roadway for access, ingress and egress for the purpose of access to the Town of Telluride Water Tank Parcel, as shown on Exhibit "A" attached hereto, including the right to disrupt the Owner(s) of Lot 1's access if and when required for the maintenance of existing facilities or the construction of new facilities.
- C. The Owner(s) of Lot 1 hereby convey back to Idarado Mining Company the triangle-shaped portion of the Old Easement that consists of Idarado Mining Company property, as shown on page two of Exhibit "A". The Owners(s) of Lot 1 also hereby vacate the portion of the Old Easement which traverses Uncompahgre National Forest land, as shown on page two of Exhibit "A". This Agreement shall supercede and replace the two Easement Deeds, the first recorded January 15, 1993, at book 504, page 610, at reception no. 282265 in the office of the Clerk and Recorder of San Miguel County, Colorado, and the second recorded September 1, 1993, at book 516, page 770, at reception no. 287052 in said office, insofar as those documents grant and describe the "Westerly Idarado Easement" defined therein, and to the extent that any portion of such "Westerly Idarado Easement" is not contained within the Idarado Easement defined above, the Owner(s) of Lot 1 hereby convey and quitclaim all of their right, title and interest in such portion of the "Westerly Idarado Easement" to the current owners thereof.

**2. Vacation of Access Portion of Water Tank Easement:** Due to the access to the Water Tank Parcel outlined in paragraph 1(B), above, the Town of Telluride hereby vacates certain rights of access in the Water Tank Easement, as shown on Exhibit "B" attached, consisting of two pages, page one being a metes and bounds description, and page two being a map, delineating the area as the "Town/Idarado Easement," as follows:

- A. On or about November 14, 1978, by instrument recorded at Book 375 Pages 159-161, the Idarado Mining Company conveyed the Town/Idarado Easement to the Town of Telluride. This easement was conveyed for the purpose of (1) providing the Town of Telluride access between Highway 145 and the Town of Telluride Water Tank Parcel, and

(2) providing the Town of Telluride an easement for the maintenance and operation of a water pipeline from the Town of Telluride Water Tank Parcel to Highway 145.

- B. The Town of Telluride hereby conveys back to the Idarado Mining Company and vacates its easement rights to use the Town/Idarado Easement for access between Highway 145 and the Water Tank Parcel. However, all other aspects of the Town/Idarado Easement remain in full force and effect, such that the Town of Telluride retains all other easement rights, including but not limited to the right to maintain, operate and reconstruct a water pipeline through the Town/Idarado Easement area, and to use the Town/Idarado Easement for access to the water pipeline for maintenance, operation and reconstruction of said water pipeline.

3. Construction of Roadway: The Owner(s) of Lot 1 are hereby authorized to construct the roadway, and in so doing, to place supporting fill material on Idarado Mining Company's adjoining land, provided the Owner(s) of Lot 1 satisfy the following conditions:

- A. The Owner(s) of Lot 1 shall hold Idarado Mining Company harmless against any claims from construction of the roadway and placement of fill material on adjoining property.
- B. The Owner(s) of Lot 1 shall provide Idarado Mining Company with a construction plan and schematic plan for the fill to be placed on Idarado Mining Company property, all of which shall be subject to Idarado Mining Company's approval. Idarado Mining Company's approval will not be unreasonably withheld so long as the fill to be placed on Idarado Mining Company land is geologically stable and aesthetically and environmentally acceptable.
- C. The Owner(s) of Lot 1 shall carry out, at their expense, complete revegetation of that part of the fill area which lies on Idarado Mining Company property.
- D. The Owner(s) of Lot 1, at the Owner(s) of Lot 1's sole cost and expense, shall: (1) construct the roadway, including asphalt paving; (2) maintain the roadway in good and proper condition for its intended purpose, including winter and asphalt maintenance; and (3) perform snow removal such that the Town of Telluride Water Tank facilities remain accessible at all times.

4. Easement over Town of Telluride Water Tank Parcel: The Town of Telluride hereby conveys and delivers to the Owner(s) of Lot 1, and their heirs, successors and assigns, a perpetual non-exclusive easement over and across the area described on Exhibit "C" attached, consisting of two pages, page one being a metes and bounds description, and page two being a map, delineating an easement (the "Town Easement Area") for access, ingress and egress

5. Runs with the Land: This Agreement and the acts and benefits herein contained shall be binding upon and inure to the benefit of the parties hereto, their heirs, successors and assigns, and shall run with the land.

6. Recordation: This Agreement shall be recorded in the property records of San Miguel County.

7. Waiver: No provision of this Agreement shall be modified waived or discharged unless the modification, waiver or discharge is agreed to in writing and signed by all parties. No waiver by any party of any breach of, or of compliance with, any condition or provision of this Agreement by any other party shall be considered a waiver of any other condition or provision or of the same condition or provision at another time.

8. Governing Law: The validity, interpretation, construction and performance of this Agreement shall be governed by the laws of the State of Colorado. If any action at law or in equity is necessary to enforce or interpret the terms of this Agreement, venue shall be in San Miguel County, Colorado, and the prevailing party shall be entitled to reasonable attorneys' fees and costs, in addition to any other relief to which the party may be entitled.

9. Entire Agreement: This Agreement contains the entire Agreement between the parties and supersedes all prior oral and written Agreements, understandings, commitments, and practices between the parties concerning this matter. No other agreements, representations or understandings, whether oral, written, express or implied, which are not expressly set forth in this Agreement have been made or entered into by either party with respect to the subject matter hereof. No amendments to this Agreement may be made except by a writing signed by all parties.

10. Severability: If any provision or provisions of this Agreement shall be found invalid or unenforceable, this shall not affect the validity of the remaining provisions of this Agreement, and the remaining provisions shall remain in full force and effect.
